New Student Registration Steps: Becoming CAA Cardinal College Student

Step 1: Take a Tour

Tours are given exclusively online during the COVID times. Email Executive Director DeAnna Pursai deanna@collegeofadaptivearts.org. Virtual tours are conducted throughout the week over Zoom.

Step 2: Complete the Online Registration Form

After the tour you will be sent the online Student Registration form and updated student/parent policies for reference. Please submit the form online when complete.

Step 3: Make an account set-up appointment:

The CAA Student Registrar will receive an electronic notice that the application was submitted. She will then reach out and schedule an online virtual Zoom appointment with the student and their conservator, or emergency contact to set-up an online account through the CAA website to register for classes and verify all pertinent information. The Student Registrar will teach you how to use the registration system and get your student registered into the classes of his/her choosing.

Step 4: If a Regional Center Consumer . . .

Please send Current Quarter Student Schedule to your Service Coordinator **within 1 week of registration** to have POS processed in a timely manner. A current quarter POS must be in place by the first week of CAA classes or within 1 week of the intake meeting. **If the POS is not in place, the student will temporarily be placed on a Wait List until confirmation of POS processing (typically a screenshot) can be forwarded to the SARC support Team.** Please have your service coordinator email a screenshot to: Bobbi Tafoya, bobbi@collegeofadaptivearts.org & Teresa Montes de Oca, teresa@collegeofadaptivearts.org.

Step 5: After receipt of attempt to connect with the Regional Center has been logged, your student's registration will return to Active Enrollment status.

Congratulations! You are now a CAA Cardinal College Student!
